Beech Class Weekly Newsletter

Week beginning:
Our topic is: Seaside

Dear Parents/Carers,

It was great to see so many people at the Summer Fayre last week, we hope you enjoyed it!

We are coming to the end of the Summer term now and we are so proud of all the children for their hard work and enthusiasm this year! It's been such a pleasure teaching them and we look forward to the last week of year 1 and 2 learning.

As we will not be having a weekly letter next week—We want to wish you all a lovely summer holiday!

How you can help at home..

- Read our phonics-linked book of the week on Bug Club and notice where you find the sound we learnt last week.
- Play some phonics games linked to the sound we are learning this week (try Phonics Play, Bug Club or other apps).
- Log into Numbots to practice mental maths skills.
- Year 1: Practice reading the high frequency words in your reading diaries. When you feel you can read them fluently, bring them in to be changed for new words.
- Year 1 : Practise phonics sounds (you could use PhonicsPlay or bug club)
