

Twyford St Mary's School Bell

Dear TSM families,

18th July 2025

We have had a busy final full week at TSM. On Tuesday, we had the final KS2 performance of The Wizard of Oz. It was another fantastic show from the children. They have really done an amazing job in putting on such an incredible performance with only a handful of weeks practise. Thanks once again to the Parish Hall for allowing us to use their venue. Also this week we have welcomed in our new Year R children for some stay and play sessions, thanked the parents that have volunteered this year across the school at the Volunteer's tea party and given out books for the year at the parent book look. The week will round off with the Year 6 party at Hunter's Park!

Last Friday, we had the summer fair and colour run. This was such a fantastic event, we were blessed with beautiful weather and it was brilliant to see so many people attending. An enormous thank you to the PTA and all of the volunteers that did so much hard work to create an amazing event. We are very fortunate to such a wonderful group of volunteers who do so much for the school throughout the year.

I can't believe this is the final newsletter of the academic year! The year has absolutely flown by and I want to say an enormous thank you to the community as you have welcomed me in my first year at TSM. As I look back on everything we have done this year it is so pleasing to see all the opportunities the children have at school. I hope you all enjoy a restful summer break and the children come back ready for another year of learning and fun when school reopens on Thursday 4th September.

Have a great summer.

Year 3 Outdoor Learning

This week saw the final outdoor learning session for year 3 at Hunter's Park.

The children have loved exploring nature - mixing magical potions from foraged materials, creating beautiful dream catchers, and even dyeing fabric with vibrant colours from flowers, berries, and leaves.

They became tree detectives, identifying different species, and worked brilliantly together to build fantastic dens. We are so proud of the way they cooperated, persevered, and supported each other during these weekly trips.
