Dear Hampshire Music Service Customer

As a valued member of our musical community, we warmly invite you to take part in our 2026 Parent and Student Survey. Your feedback is essential in helping us shape and enhance the future of our programmes, ensuring we continue to offer meaningful and enriching musical opportunities for children and young people across Hampshire.

The survey will be open from **12 Feb until 6 March**, and we welcome your thoughts on the quality of our offer and the service you receive. You may respond anonymously, or, if you would like to discuss anything further, you are welcome to leave your contact details.

To ensure we capture the views of all those involved with Hampshire Music Service, we are inviting parents and students to complete their own dedicated surveys. We would be grateful if you could take a few minutes to fill in the parent survey, and then support your child to complete the student survey.

Thank you in advance for your time and valuable input. Your voice helps us grow, improve, and continue providing high-quality music education across the county.

Best wishes
