

Beech Class Home Learning — Wacky Weather

For home learning the children have been given a tic-tac-toe grid.

They should try and complete at least 2 tasks over the next half term.

The children can share each piece of home learning in class or via Tapestry as they complete it.

Thank you for your support.

PSHE Make a family member a card to tell them why they are important to you.	Design Technology Design an outfit for a toy to wear in rainy, sunny, or snowy weather. Label the materials you would use.	Computing Log on to 'Purple Mash' and complete the following activities! • Weather paint project • UK cities • Snow Day
Geography Find out some facts about a country or city in the UK. Can you create a fact file?	Topic Read (or share) a book on weather. Write down 3 interesting facts you find out.	Science Research an animal and its habitat. Chose a way to present your research.
Art Create a picture showing your favourite kind of weather using colours and textures (e.g., paint, collage, or crayons).	History Interview an adult about a memorable weather event (snow, storm, heatwave). Draw and/or write a short recount of what happened.	Music Create a "weather orchestra" using household objects (e.g. rice in a pot for rain, foil for thunder). Film or write down which object makes which sound.
