

MESSAGES

Week beginning: 19-05-25 Our topic is: Ever Changing World

Dear Parents / Carers

We were very proud of both the Year 6s and Year 5s last week. The Year 6s were calm under pressure and took everything in their stride. The Year 5s were very adaptable, moving about the school for their lessons and super considerate of the Year 6s writing their SATs papers. Year 5 will need their PE kits on Monday and Wednesday this week. They will be attending the Music and Drama event at Twyford Prep on Thursday. A quick reminder of the Relationship, Sex Education (RSE) information meeting for parents is on Thursday this week.

This week:

In Maths, we are doing some geometry work. In English, the children will be writing their final narrative piece inspired by the Alma animated film. In Science, we will be looking at the life cycle of amphibians. In Computing, the children will continue to work on their quizzes for younger children. In Art, the children will be doing ink drawings of their waves inspired by Hokusai's 'Great Wave off Kanagawa.'

Year 6 will be making their Winchester Cathedral's art project on Thursday. We appeal for cardboard (about A3 size) Large Amazon envelope containers would be ideal.

The half term has flashed by. Wishing you and your families a well-deserved break before we return for the last seven and a bit weeks!

Kind Regards,

Stage 3 Spellings of the week:

Challenge Words

purpose
special
question
position
length
difficult
pressure
perhaps
strange
important

Year 5 Stage 5 spellings

Homophones

ascent
assent
father
farther
altar
alter
aloud
allowed
aisle
isle
