

Sycamore Home Learning: Autumn 2

Please complete the tasks from the tic-tac-toe grid **over this half term**. The reading task is a **MUST DO** job. Home learning is to be submitted via admin office email or handed directly to Mrs White or Mrs Hughes and will be celebrated in class at the end of the day.

Year 3 to complete 3 tasks, Year 4 to complete 4.

Magnetic Facts Magnets are all around us and we use them everyday. Can you research about magnets and make a top ten list of magnet facts. What will find out and what incredible facts will you wow us with? 	Mix Up Fairy Tales Think about your favourite fairy tale. Now think about how you could mix it up. Could the characters swap roles? Could the goodies become the baddies? Come up with a new title for your mixed up fairy tale and then design a front cover for your new book.	Famous Scientists Many famous scientists have made ground-breaking discoveries about forces. Could you research one of them (it could be Issac Newton, Leonardo da Vinci or another of your choice) and present your findings in a creative 
French Poster Show off what you have learnt so far this term in French by creating a poster. You could include colours, numbers, countries or you could research some new words and use these instead.	<u>Must do reading job:</u> <u>Book Review</u> Think about one of your favourite stories. Why do you like it so much? Why would you recommend it to others? Write a book review to convince 	Christmas Treats The festive period will soon be upon us and making some homemade Christmas treats is a wonderful way to get into the Christmas spirit. Try and find a recipe which you have not made before and with the help of an adult weigh and measure all the ingredients to make your chosen treat. If it's a success, maybe you can copy up the recipe with illustrations to share with the rest of the class.
Christmas Poem Think about what Christmas means to you and why it's such a special time of year. Make a poem about Christmas. It could be an acrostic poem, it could rhyme or you could use figurative language to show how you celebrate and what you love about the festive time of year.	Magic Trick Research how to perform a simple magic trick. Keep practicing this until you're ready to perform. 	Antarctic Art As part of our geography learning we will be exploring the region of the Antarctic. We would love to see your artwork based on polar regions.
