

Complete at least 3 of the home learning tasks this half term.

Make a PowerPoint presentation about the Great Barrier Reef.	Make a sea inspired picture or painting.	Using your knowledge of coastal landforms, create your very own edible landform, such as a headland and arch.
Linking to our Coding lessons, make up a class general knowledge quiz and then host the quiz at a time you arrange with me or make one on Spelling Shed or Purple Mash.	Draw your own lighthouse. You could shade it with pencils, paint it, colour it or create a collage. Alternatively, you could make a model of a lighthouse, with a functioning light!	Make and write a postcard from a seaside town.
Create a food chain or web for a coastal area.	Draw a diagram to show the life cycle of an amphibian or an insect.	Coastline in a Box Use a shoe box to create a model of a coastline of your choice inside your box. Cover or paint the inside of your box to show the sea, beach, land and sky. Create models to show the shape of the land, buildings, vegetation and people.
