Willow Class - Autumn 2 Home Learning

Year 4 please complete 4 of the tasks from the tic-tac-toe grid over this half term. Year 5 please complete 5. Home learning can be brought in to class - we love sharing and celebrating Home Learning in Willow class!

Create a detailed observational sketch of a family member and label using your new French describing words.	Create a comic strip or labelled map to show the journey of tea.	Research an entrepreneur who has started their own business - can you create a fact file about their life?
Science: Year 4: Create a labelled poster to show your understanding of the digestive system. Year 5: Create a poster to show your understanding of the Solar System	Follow recipe instructions carefully with an adult to create an end product! Alternatively, you could write instructions for someone else to follow!	Go for an outdoor walk/go in the garden. What do you notice using any of your 5 senses? Write a short description.
Invent your own flavour of ice-cream (be as creative as you like!) How will you present and pitch your idea?	Conduct a survey to find out the favourite flavour of smoothies of your family/friends. Can you present your findings as a bar graph or pictogram?	Sketch a still life image of a local ingredient.

Please don't forget to practice your spellings using Spelling Shed, read your home reading books and use TT Rockstars to help you with your times tables practice!
